SECTION: FAFSA Application and Priority Deadlines
The Free Application for Federal Student Aid (FAFSA) opens on October 1 each year for the subsequent academic year. Sample University's institutional priority filing deadline is February 15. Submitting the FAFSA by this date ensures maximum consideration for need-based institutional grants and Federal Work-Study funds. Students submitting after February 15 are considered on a rolling, funds-available basis.

SECTION: Tuition Payment Deadlines and Late Fees
Fall semester tuition and mandatory fees must be paid in full or covered by an approved payment plan by August 15. For the Spring semester, the billing deadline is January 5. A late payment fee of $100 is assessed if payment is not settled within 5 business days after the due date. Accounts with unpaid balances exceeding $500 will have a financial hold placed, preventing registration and transcript release.

SECTION: Monthly Tuition Installment Plans
The Bursar's Office provides interest-free 4-month and 5-month payment plans for each semester. An enrollment fee of $45 per semester applies. Payments are automatically debited on the 1st of each month via ACH bank transfer or credit card (a 2.85% convenience fee applies to credit card payments).

SECTION: Federal Work-Study Program Guidelines
Federal Work-Study (FWS) provides part-time employment opportunities for undergraduate and graduate students with financial need. Students awarded Work-Study may work up to 20 hours per week while classes are in session and up to 40 hours during recognized university breaks. Starting pay for campus work-study positions is $15.50 per hour. FWS earnings are paid bi-weekly directly to the student via direct deposit and are not deducted automatically from the student's tuition bill.

SECTION: Satisfactory Academic Progress (SAP) Requirements
To maintain eligibility for federal, state, and institutional financial aid, students must satisfy three Satisfactory Academic Progress standards evaluated at the end of each academic year:
1. Minimum Cumulative GPA: Undergraduates must maintain a minimum 2.0 cumulative GPA.
2. Pace of Completion: Students must successfully complete at least 67% of all cumulative attempted credits.
3. Maximum Timeframe: Students must complete their degree within 150% of published program length (typically 180 attempted credit hours for a standard 120-credit bachelor's degree).
Students who fail to meet SAP standards are placed on Financial Aid Suspension but may submit an appeal with documented extenuating circumstances before July 15.
